Duration:

WS consultant shall perform the supervision service in period of 45 days after starting date. It is expecting to start with work by the mid September 2011.

Expressions of interest:

The Montenegro Energy Efficiency Project team now invites eligible Consultant firms to indicate their interest in providing the services. Interested Consultant firms must provide information indicating that they are qualified to perform the services:

- **General qualification of the firm:** Documents defining the constitution or legal status, place of registration, and principal place of business of the Consultant firm; Evidence of financial reporting-balance sheet and income statement, Qualifications with number of permanent employees. All documentation should be submitted in original or certify copy.
- **Qualification of the consultant (firm) relevant to the assignment:** References of assignments from similar projects in the last 5 years. Reference should contain: investor data to whom work supervision was performed, project description, contract value for performed services and implementation period. According to the Law on spatial planning and object building (Official MN Gazette, no: 51/08) the successful Consultant firm shall provide before the contract signing licenses for supervision of thermo-technical works and electrical works, issued by responsible state authority.
- **Proposed professional staff:** List of personnel who are going to be involved in this project, status (permanent employee or outsourced staff) with their CVs. Before the contract signing the consultant should provide, for each person who is going to be involved in the project, license for supervision of thermo-technical works and electrical works, issued by responsible state authority.
- Consultant firm can submit other documents considered important, and which are not listed above.

Consultants may associate to enhance their qualifications. The associations should clearly indicate the form of the association (Joint-venture or sub-consultancy; member in charge; other member/s and or sub-consultants) and responsibility/role of each member in project implementation Joint ventures should submit letters of intent indicating their intent to form a joint venture if awarded the contract and shall provide the above mentioned information for each member of the joint venture.

Consultants may only submit one expression of interest. If a Consultant submits or participates in more than one expression of interest, such expressions will be disqualified. However, sub-consultants, including individual experts, may participate in more than one expression of interest only in the capacity of sub-consultants.

A consultant will be selected in accordance with the procedures for Selection Based on Consultants' Qualification (CQ) set out in the World Bank's [*Guidelines: Selection and Employment of Consultants by World Bank Borrowers*](#) (May 2004, revised in October 2006 and May 2010).

Interested consultants may obtain further information at the address below, from 09:00 to 17:00 hrs.

Expressions of interest must be delivered to the physical or electronic address below by **October 24, 2011**.
